Introduction to the Safe Haven Plan

Mudford Village Hall is the centre of the local community. For this reason we are putting ourselves forward as a "Safe Haven"

In the event of heavy/major flooding, fire or any emergency which may leave residents in need of immediate comfort or shelter, we hope to provide a base to stay whilst the relevant organisations and services initiate support and action.

We can assist with first aid, contacting medical services, families and friends, and in the event of flooding we will be liaising closely with the 3 Villages Flood Group however, we may need to provide overnight facilities if the event occurs at an inconvenient time or if all roads leading into the village are blocked. We have drink, food and personal care facilities but nothing in the line of bedding, comfortable chairs, inflatable mattresses etc.

The Village Hall are asking the Parish Council if they could give us some financial assistance in the form of a grant towards expenses to provide a safe haven and complete the Flood Warden equipment list.

Please see the attached Mudford Village Hall Providing a Safe Haven document which shows a breakdown of costings

Thank you for considering this application.
