i. Somerset Councillors (3 minutes)

Cllr Hobhouse – Flood Resilience Fund Update: Cllr Hobhouse reported that, from the Government's recently announced £50 million Flood Resilience Fund for Somerset, £10 million has been allocated to Taunton. He encouraged interested parties to attend Somerset Council's Scrutiny Committee meeting on 9th July 2026. Cllr Hobhouse also advised that proposed flood resilience schemes, including cost estimates, should be submitted to Somerset Council (SC) in September. He confirmed that he would be happy to meet with

interested groups to discuss potential projects, including proposals developed in partnership with local farmers.

- ii. Outside bodies/groups (3 minutes)
 - a. 3VFG – The group reported that it has received a response from Somerset Council’s Head of Climate and Natural Environment regarding the Flood Resilience Fund. The group has been working for the past 18 months on a nature-based flood management project, in collaboration with the Yeovil Rivers Community Trust, which it intends to present for funding consideration. Seven zones have been identified, with different solutions proposed for each area. The group will share an interim summary with the clerk (and Cllr Hobhouse) and intends to attend the forthcoming Scrutiny Committee meeting. It was also shared that work on the supporting evidence bundle is ongoing.

The group reported that the proposed desilting works beneath one of Mudford’s bridge arches, for which the Environment Agency had committed funding and agreed to undertake the work, have been paused as the landowner has declined access to the site. The group further advised that repairs to a crack in the retaining wall are also planned.

19:35 Cllr Bartlett arrived at the meeting and apologised for his late arrival.

- b. FoMAG – The group continues to scrutinise the Bloor Homes development (Land OS), for which the Lead Local Flood Authority (LLFA) has raised concerns and requested substantial additional evidence. LLFA has also asked the Local Flood Authority to demonstrate that the proposed development will not increase flood risk downstream. The group further reported that it has submitted an objection to application 26/01393/NMA.
- c. Village Hall Committee – The committee thanked Cllr Bowring for his representation at the committee for the past year. The Flower Show (to include cream tea) is planned for Saturday 25th July.
